

## § 544.1

(ii) Six months after the manufacturer receives written notice of the termination.

(3) If a manufacturer shows good cause why terminating its exemption effective on a date later than the one specified in paragraph (g)(2) of this section is consistent with the public interest and the purposes of the Act, the agency may set such later date.

(h)(1) The agency modifies an exemption if it determines, based on substantial evidence, that the modified antitheft device described in the petition is likely to be as effective in reducing and deterring motor vehicle theft as compliance with the parts-marking requirements of part 541.

(2)(i) Except as provided in paragraph (h)(2)(ii) of this section, a decision to modify an exemption under this section takes effect on the first day of the model year following the model year in which NHTSA issued the modification decision.

(ii) If a manufacturer shows good cause why modifying its exemption effective on a date earlier than the one specified in paragraph (h)(2)(i) of this section is consistent with the public interest and the purposes of the Act, the agency may set such earlier date.

(i) [Reserved]

(j) NHTSA publishes notice in the FEDERAL REGISTER of any agency decision terminating or modifying an exemption, and notifies the affected manufacturer in writing.
